For Respondent : Mr.A.S.Sriraman

JUDGMENT

(Delivered by T.S.Sivagnanam, J.)

This appeal, by the Revenue, filed under Section 260A of the Income Tax Act, 1961, is directed against the order dated 23.03.2016 made in I.T.A.No.2161/Mds/2015 on the file of the Income Tax Appellate Tribunal 'C' Bench, Chennai for the assessment year 2006-07.

2.The appeal was admitted on 09.11.2016, on the following substantial questions of law:-

“(i) Whether on the facts and circumstances of the case and in law, Tribunal was right and justified in holding that unabsorbed depreciation loss pertaining to assessment year 1997-98 could be set off against income of assessment year 2006-07?

(ii) Is not the finding of the Tribunal directing the Assessing Officer to set off the unabsorbed depreciation pertaining to assessment year 1997-98 based, especially when the intention of the legislature

was not to carry forward the unabsorbed depreciation beyond eight years from the year of computation?”

3.Heard Mr.M.Swaminathan, learned Senior Standing Counsel assisted by Ms.V.Pushpa, learned Junior Standing Counsel for the appellant and Mr.A.S.Sriraman, learned counsel for the respondent.

4.It is not in dispute that the substantial questions of law framed for consideration have been answered against the Revenue in the case of ***CIT vs. Sanmar Speciality Chemicals Ltd. [T.C.A.No.358 of 2018, dated 14.09.2020]***. The relevant paragraphs of the judgment read as follows:-

“4. The short issue, which falls for consideration, is as to whether, in the facts and circumstances of the case, the Tribunal was right in permitting the assessee to carry forward the depreciation loss pertaining to the assessment year 1997-98 to the present assessment year namely 2006-07, which is beyond the eight year period mandated under the provisions of Section 32 of the Act.

5. The Revenue is before us by referring to the decision of the High Court of Calcutta in the case of ***Peerless General Finance & Investment Co. Ltd. Vs. CIT [(2016) 73 Taxmann.com 257]*** and submitting that an identical issue was considered by the Calcutta

High Court wherein the assessee was not granted relief. It is further submitted that the said decision of the Calcutta High Court was tested for its correctness by the Hon'ble Supreme Court and the special leave petition filed against the judgment of the Calcutta High Court was dismissed in the decision reported in (2016) 73 Taxmann.com 258.

6. After elaborately hearing the learned Senior Standing Counsel appearing for the appellant – Revenue, we are of the considered opinion that the reliance placed on the decision in the case of Peerless General Finance & Investment Co. Ltd., would, in no manner, assist the case of the Revenue. We say so after referring to Circular No.14/2001 dated 22.11.2002 issued by the Central Board of Direct Taxes, which are Explanatory Notes on Provisions relating to Direct Taxes. Paragraph 30 of the said circular deals with modification of provisions relating to depreciation.

7. For better appreciation, we quote paragraphs 30.1 to 30.5 of the said circular as hereunder :

“30.1 Under the existing provisions of section 32 of the Income-tax Act, carry forward and set off of unabsorbed depreciation is allowed for 8 assessment years.

30.2 With a view to enable the industry to conserve sufficient funds to replace plant and machinery, specially in an era where obsolescence takes place so often, the Act has dispensed with the restriction of 8 years for carry forward and set off of

unabsorbed depreciation. The Act has also clarified that in computing the profits and gains of business or profession for any previous year, deduction of depreciation under section 32 shall be mandatory.

30.3 *Under the existing provisions, no deduction for depreciation is allowed on any motor car manufactured outside India unless it is used (i) in the business of running it on hire for tourists, or (ii) outside India in the assessee's business or profession in another country.*

30.4 *The Act has allowed depreciation allowance on all imported motor cars acquired on or after 1st April, 2001.*

30.5 *These amendments will take effect from the 1st April, 2002, and will, accordingly apply in relation to the assessment year 2002- 2003 and subsequent years."*

8. *From paragraph 30.2 of the above circular, it is clear that the restriction of 8 years for carry forward and set off of unabsorbed depreciation was dispensed with, with a view to enable the industries to conserve sufficient funds to replace plant and machinery.*

9. *The learned Senior Standing Counsel appearing for the Revenue would point out that those amendments took place with effect from 01.4.2002 and would accordingly apply in relation to the assessment year 2002-03 and the subsequent years whereas in the assessee's case, the depreciation loss, which they sought to carry*

forward is for the assessment year 1997-98.

*10. The proper manner, in which, the modification has to be understood, is to the effect that from the assessment year 2002-03, if the eight years' period was not lapsed, then the assessee would be entitled to carry forward the loss without any restriction on the time limit. This aspect has been dealt with elaborately in the decision of the Division Bench of the Gujarat High Court in the case of **General Motors India (P) Ltd. Vs. DCIT [reported in (2013) 354 ITR 0244]** wherein the relevant portions are as follows :*

“37. The CBDT Circular clarifies the intent of the amendment that it is for enabling the industry to conserve sufficient funds to replace plant and machinery and accordingly the amendment dispenses with the restriction of 8 years for carry forward and set off of unabsorbed depreciation. The amendment is applicable from assessment year 2002-03 and subsequent years. This means that any unabsorbed depreciation available to an assessee on 1st day of April, 2002 (A.Y. 2002- 03) will be dealt with in accordance with the provisions of section 32(2) as amended by Finance Act, 2001 and not by the provisions of section 32(2) as it stood before the said amendment. Had the intention of the Legislature been to allow the unabsorbed depreciation allowance worked out in A.Y. 1997-98 only for eight subsequent assessment years even after the amendment of section 32(2) by Finance Act, 2001 it would have incorporated

a provision to that effect. However, it does not contain any such provision. Hence keeping in view the purpose of amendment of section 32(2) of the Act, a purposive and harmonious interpretation has to be taken. While construing taxing statutes, rule of strict interpretation has to be applied, giving fair and reasonable construction to the language of the section without leaning to the side of assessee or the revenue. But if the legislature fails to express clearly and the assessee becomes entitled for a benefit within the ambit of the section by the clear words used in the section, the benefit accruing to the assessee cannot be denied. However, Circular No.14 of 2001 had clarified that under Section 32(2), in computing the profits and gains of business or profession for any previous year, deduction of depreciation under Section 32 shall be mandatory. Therefore, the provisions of section 32(2) as amended by Finance Act, 2001 would allow the unabsorbed depreciation allowance available in the A.Y. 1997-98, 1999- 2000, 2000-01 and 2001-02 to be carried forward to the succeeding years, and if any unabsorbed depreciation or part thereof could not be set off till the A.Y. 2002-03 then it would be carried forward till the time it is set off against the profits and gains of subsequent years.

38. Therefore, it can be said that, current depreciation is deductible in the first place from the income of the business to which it relates. If such

depreciation amount is larger than the amount of the profits of that business, then such excess comes for absorption from the profits and gains from any other business or business, if any, carried on by the assessee. If a balance is left even thereafter, that becomes deductible from out of income from any source under any of the other heads of income during that year. In case there is a still balance left over, it is to be treated as unabsorbed depreciation and it is taken to the next succeeding year. Where there is current depreciation for such succeeding year the unabsorbed depreciation is added to the current depreciation for such succeeding year and is deemed as part thereof. If, however, there is no current depreciation for such succeeding year, the unabsorbed depreciation becomes the depreciation allowance for such succeeding year. We are of the considered opinion that any unabsorbed depreciation available to an assessee on 1st day of April 2002 (A.Y. 2002- 03) will be dealt with in accordance with the provisions of section 32(2) as amended by Finance Act, 2001. And once the Circular No.14 of 2001 clarified that the restriction of 8 years for carry forward and set off of unabsorbed depreciation had been dispensed with, the unabsorbed depreciation from A.Y.1997-98 upto the A.Y.2001-02 got carried forward to the assessment year 2002-03 and became part thereof, it came to be governed by the provisions of section 32(2) as

amended by Finance Act, 2001 and were available for carry forward and set off against the profits and gains of subsequent years, without any limit whatsoever.”

*11. A similar issue was considered by a Division Bench of the Bombay High Court in the case of **CIT-3 Vs. M/s.Bajaj Hindustan Ltd.** [reported in 2018-TIOL-2730-HC-MUM-IT] following the decision in the case of **CIT Vs. Hindustan Unilever Ltd.** [reported in (2017) 394 ITR 73]. The special leave petition filed by the Revenue against the above decision was dismissed by the Hon'ble Supreme Court in the decision reported in 2019-TIOL-36-SC-IT [PCIT-3 Vs. M/s.Bajaj Hindustan Ltd].*

*12. In the decision of the Punjab & Haryana High Court in the case of **CIT Vs. GTM Synthetics Ltd.** [reported in (2012) 347 ITR 0458], an identical issue was considered in the following terms:*

“8. The effect of omission of the aforesaid proviso was enumerated by the Central Board of Direct Taxes, vide circular No. 794 dated 9.8.2000 [(2000) 245 ITR (Statute)] 21 that the unabsorbed depreciation allowance could be set off against the income under any other head even where the business was not carried on.

Clause 22 of the said circular which is relevant is as under:

"22. Requirement of continuance of same business for set-off of unabsorbed depreciation dispensed with:

22.1 Under the existing provisions of sub-section

(2) of section 32 of the Income tax Act, carried forward unabsorbed depreciation is allowed to be set off against profits and gains of business or profession of the subsequent year, subject to the condition that the business or profession for which depreciation allowance was originally computed continued to be carried on in that year. A similar condition in section 72 for the purpose of carry forward and set off of unabsorbed business loss was removed last year.

22.2 With a view to harmonise the provisions relating carry forward and set off of unabsorbed depreciation and unabsorbed loss, the Act has dispensed with the condition of continuance of same business for the purpose of carry forward and set off of unabsorbed depreciation.

22.3 This amendment will take effect from 1st April, 2001, and will, accordingly, apply in relation to the assessment year 2001- 2002 and subsequent years."

9. The CIT(A) and the Tribunal, thus, rightly allowed unabsorbed depreciation relevant to the assessment year 1996-97 to be set off against the income from long term capital gains and income from other sources for the assessment year 2001-2002."

13. Recently, in the decision of a Division Bench of the Bombay High Court in the case of PCIT Vs. Gunnebo India Pvt. Ltd. [reported in (2019) 104 CCH 0227], the issue was considered in favour of the assessee after referring to the decision of the Division

Bench of the Gujarat High Court in the case of General Motors India (P) Ltd., wherein the relevant portions read thus :

“3. The Revenue carried the matter in appeal. The Appellate Tribunal dismissed the appeal of the Revenue making the following observations- "16. We have observed that the current year's depreciation is allowed to be set off against the income from business as well as against the other heads of income and unabsorbed depreciation in carry forward and become part of the depreciation of the subsequent year and the total depreciation becomes current year's depreciation as per section 32(1) of the Act, which is allowed to be set off against the income under any head of income. As per the provisions of section 32(2) of the Act r.w.s. 70, 71 and 72 of the Act, it becomes very clear that the total depreciation comprising of the depreciation of the relevant assessment year along with the unabsorbed depreciation of the earlier years becomes the total current year's depreciation which is allowed to be set off against income under any head of income including Long Term Capital Gain. Accordingly, we find no reason to interfere with the order of CIT(A) qua this issue and the same is hereby upheld. We also hold that as per provisions of section 72 of the Act, the unabsorbed business loss (other than speculative loss) of earlier years shall be allowed to be set off only against the profits and gains from business carried on by the assessee of the current year and so on. We

order accordingly. However, our above decision with respect to ground no. (i) and (ii) raised in memo of appeal filed by Revenue should be read in conjunction with and subject to our findings with respect to ground no. (iii) and (iv) which are decided by us in the preceding para's of this order and the computation shall be made accordingly."

4. Having heard the learned counsel for parties and having perused the documents on record, we do not find any error in the order of the Appellate Tribunal. Gujarat High Court in the case of General Motors India (P) Ltd. (supra) had considered somewhat similar issue, of course in the backdrop of the assessee's challenge to a notice of reopening of the assessment. The Gujarat High Court had held and observed as under - "38 Therefore, it can be said that, current depreciation is deductible in the first place from the income of the business to which it relates. If such depreciation amount is larger than the amount of the profits of that business, then such excess comes for absorption from the profits and gains from any other business or business, if any, carried on by the assessee. If a balance is left even thereafter, that becomes deductible from out of income from any source under any of the other heads of income during that year. In case there is a still balance left over, it is to be treated as unabsorbed depreciation and it is taken to the next succeeding year. Where there is

current depreciation for such succeeding year the unabsorbed depreciation is added to the current depreciation for such succeeding year and is deemed as part thereof. If, however, there is no current depreciation for such succeeding year, the unabsorbed depreciation becomes the depreciation allowance for such succeeding year. We are of the considered opinion that any unabsorbed depreciation available to an assessee on 1st April, 2002 (asst. yr. 2002-03) will be dealt with in accordance with the provisions of s. 32(2) as amended by Finance Act, 2001. And once the Circular No. 14 of 2001 clarified that the restriction of 8 years for carry forward and set off of unabsorbed depreciation had been dispensed with, the unabsorbed depreciation from asst. yr. 1997-98 up to the asst. yr. 2001-02 got carried forward to the asst. yr. 2002-03 and became part thereof, it came to be governed by the provisions of s. 32(2) as amended by Finance Act, 2001 and were available for carry forward and set off against the profits and gains of subsequent years, without any limit whatsoever."

14. In our considered view, the above decisions will clearly enure to the benefit of the respondent – assessee.

15. Accordingly, the above tax case appeal is dismissed and the substantial question of law is answered against the Revenue."

5.Thus, by following the above decision, this tax case appeal is dismissed and the substantial questions of law are answered against the Revenue. No costs.
